1. It is with great pleasure that I welcome you to The George Washington University (GWU) Naval Reserve Officers Training Corps (NROTC) Unit. Congratulations on your orders to the National Capitol Region (NCR). We will provide administrative support to you and your family during your time here.

2. We have a small staff. You are busy with your programs. As our primary mission is the education of our Midshipmen, close coordination is required to manage your administrative requirements. Working hours for our Administrative Officer are Monday-Friday 0900-1600. If you require assistance, please contact the AO at NROTC_admin@gwu.edu.

3. My expectations of you while attached to GWU NROTC are listed below.

  a. Check-in: The Administrative Officer (AO), will provide you the necessary forms to be completed. The documents may also be found on our NROTC GWU website. It is important that you return those documents and supporting documentation within five business days per ref (a) of your check-in date. You are required to check-in in-person. Please contact the AO to schedule a time to come into the office and submit your gain paperwork. You are required to submit your travel voucher via NP2 at http://prodhpr.np2.navy.mil. If you are unable to access NP2, you are welcome to come to the office and use one of our computers.

  b. Check-out: The AO will provide you the necessary forms to be completed to process your transfer. You are required to submit your transfer documents to the AO NLT thirty days prior to your requested transfer date. Please communicate any problems to us early so that assistance can be provided. Please contact the AO to schedule a time to come into our offices to submit your transfer paperwork.
